

JCB-I8PIW-2300 PRO 11N IMPACT WRENCH

The JCB Professional 18V 1" Impact Wrench delivers three fastening settings up to 2,100Nm and up to 2,300Nm breakaway torque for heavy vehicle, plant, agricultural and industrial maintenance. Its brushless motor, 1" square drive with friction ring, variable-speed control and dust-protected PCB provide high-torque cordless performance on the JCB 18V battery platform.

Specification

Model	JCB-I8PIW-620
Torque Settings (Nm)	1200/1800/2100
Max Breakaway Torque (Nm)	2300
Impact Rate	0 -1000/1800/2400
No Load Speed (RPM)	0 -1150/1450/1850
Work Light	Integrated LED
Motor Type	Brushless
Drive	1" square drive with friction ring
Electronics	Dust-protected PCB
Net Weight (kg)	4.00
In The Box	JCB-I8PIW-2300 Impact Wrench & Belt Clip
